

Dear Donor,

As a non-profit organization we appreciate when community members reach out and extend their support in all forms, including financial support.

We want you to know that together we will make a difference and that your willingness to provide financial support towards our mission is deeply gratifying to us, and we hope it is the same for you.

If you wish to proceed with a financial donation and do not require tax receipts, you can make email transfer payments to [payments@kindmindsfamilywellness.org](mailto:payments@kindmindsfamilywellness.org) or send a cheque (*addressed to Kind Minds Family Wellness*) to 796 Paris Blvd. Waterloo, Ontario. N2T 2Z2.

We will be honored to receive your donation and would love the opportunity to thank you again, so please let us know how best to reach out to you following your donation!

Please feel free to contact Ayla:
